

APPLICATION FOR AUDITING CLASSES

Office of the Registrar

Any regularly registered full-time student may audit one four-unit course each semester, without fee. Students registered part-time may attend courses as auditors, subject to payment of Auditors' fees.

All paperwork must be filed with the Registrar by the appropriate add deadline for the semester. It is understood that the applicant will not receive credit for the audited course. An audited course may be listed on the transcript with a grade of AUD. Should a student wish an entry to be made, he or she must so indicate below. Courses that require extensive student participation (such as studio art) may not be audited.
