Medical assistance and more — anywhere, anytime

**Help with pre-trip information ...
to evacuation**

You know where to go for medical needs on campus. But where do you go when you're traveling far from school?

If you get injured or sick, we'll tell you where the nearest hospital is and make sure you get there. If you're hospitalized, we'll send a family member or friend to your bedside. And we'll find your lost luggage.
